Now in its 9th year, Stream Scholars Summer Camp is an exciting experience for new and returning student-campers.

You could be a Stream Scholar!

Stream Scholars explore ecology and conservation for 3 days in Wardensville, WV. We will use field and laboratory equipment to test water and investigate benthic macroinvertebrates (the critters' that live on the stream bottom).

Returning Scholars will have an opportunity to design and conduct unique research working with conservation professionals.

On Thursday & Friday Stream Scholars are treated to a travel adventure and fun overnight camping.
